

Hand Line Tools

Variety of options
for ease of use

HAND LINE TOOLS

Slingco's Hand Line Tools include a 3" (76.2mm) nylon fibreglass block, with a safe working load limit of 1,000 lb (453.59 kg), and a double locking snap with a safe working load limit of 5,000 lb (2267.96 kg).

Our 3" (76.2mm) Hand Line Block's sheave can accommodate a 5/8" (15.875 mm) diameter rope, and operates smoothly on the 0.5" (12.7 mm) diameter axle and swivel bearings. The side opening feature allows quick access to remove the hand line.

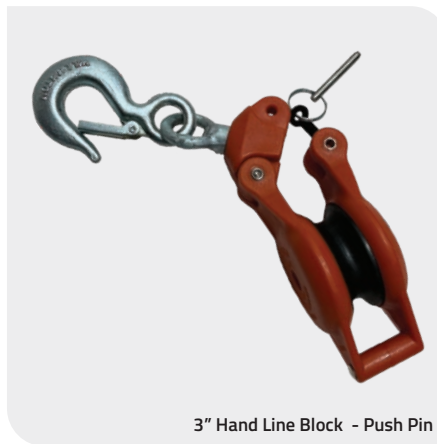

The Hand Line Hook is made of manganese bronze, and is made for use with 1/2" (12.7 mm) rope.

Double Locking Snap Hook
