

Universal and Switch Head Sticks

Safe, reliable control for
energized line operations

UNIVERSAL AND SWITCH HEAD STICKS

Slingco's Universal and Switch Head Sticks are designed for safety and ease of operation in high-voltage environments. These hot sticks are trusted by linemen for performing switching, grounding, and disconnect operations on live lines. Made from high-dielectric strength fiberglass, each stick delivers dependable insulation while remaining lightweight and maneuverable.

Note: The Universal Sticks and Switch Head Sticks are supplied without fittings.
